**Please answer questions below**

**PLEASE NOTE:**

- Medications on the specialty tier are not eligible for a tier exception.
- Tier exceptions for brand name medications will be approved to the lowest tier which contains brand name alternatives.
- Tier exceptions for biological products will be approved to the lowest tier which contains biological alternatives.
- Tier exceptions for generic medications will be approved to the lowest tier which contains generic alternatives.
- Tier exception requests cannot be considered for medications that do not have an alternative available on a lower tier (e.g., levothyroxine tablets).
- Tier exception requests cannot be considered for medications that have been approved as a formulary exception.
- See Evidence of Coverage (EOC) for more information.

1. Is this request for an expedited review?.....  Yes  No  
*Check the "Yes" box to request an expedited review if the enrollee or his/her physician or other prescriber believes that waiting for a decision under the standard time frame may place the enrollee's life, health, or ability to regain maximum function in serious jeopardy. A standard review will have a decision made within 72 hours for a coverage determination.*
2. Please indicate if the requested medication is a:  
 brand-name product       generic product
3. Is the patient currently taking the requested medication?.....  Yes  No  
A. If YES, please answer the following:
  - i. Please provide the treatment start date of the requested medication: \_\_\_/\_\_\_/\_\_\_
  - ii. Is the patient currently taking a *lower dose* of the requested medication (e.g., currently taking 30 mg, request is for 60 mg)?.....  Yes  No
4. Please list the names **and** strengths of all medications previously tried and failed (please specify if the product was brand-name, generic, or over-the-counter), or to which the patient has a documented intolerance, FDA labeled contraindication, or hypersensitivity to related to this diagnosis. (Please include any additional clinical rationale for requesting this exception). \_\_\_\_\_

5. Is the requested medication a **high-risk medication** (please refer to the patient's formulary)?.....  Yes  No
- A. **If YES**, please answer the following:
- i. Is the patient *at least* 65 years of age?.....  Yes  No
  - ii. Do the benefits of the requested high-risk medication outweigh the risks for this patient?.....  Yes  No
  - iii. Has the prescriber documented that the potential side effects and risks of this high-risk medication have been discussed with the patient or authorized representative of the patient?....  Yes  No

I certify that I have appropriate authority to request a coverage determination for the medication indicated on this request. I further certify that the patient's medical records accurately reflect the information provided. I understand that Blue Cross NC may request medical records for this patient at any time in order to verify this information.
